

Preface

Welcome to Phonics World, a series on English phonics. This series of books is designed to introduce kindergarten learners to the magical realm of reading through the power of phonics. As young minds embark on their literacy journey, the series provides a vibrant and engaging platform to master essential phonetic skills. Each carefully crafted lesson combines playful activities with fundamental phonics principles, fostering a love for language in our budding readers. Parents and educators, join hands with our charming characters and interactive exercises to lay a robust foundation for a lifetime of reading joy.
